

LABAN WILLIAMS.

MARCH 5, 1840.

Laid on the table.

Mr. S. W. MORRIS, from the Committee on Invalid Pensions, made the following

REPORT:

*The Committee on Invalid Pensions, to whom was referred the petition of Laban Williams, report:*

Petitioner alleges that he received an injury whilst in the service of the United States during the late war, and fully proves that he is now lame and entirely unable to support himself; but, the allegation that he was hurt whilst in the service rests upon his own testimony alone. The committee consider it improper to grant relief in such cases, and therefore report unfavorably.
